

We are excited to invite you to our  
**ANNUAL MEETING**

**Tuesday, April 16 at 5pm**

Multi-Purpose Room, Downtown Ann Arbor Public Library (Lower Level)

---

This year's meeting will feature a panel discussion on how the PFC fits into the future of downtown Ann Arbor with: A2 city council member Lisa Disch, the Executive Director of the DDA Maura Thompson, and city planning consultant Jane Dixon. We are bringing together thought leaders and key stakeholders to envision a downtown that thrives on inclusivity, sustainability, and communal prosperity.

The panel will engage in a 30-minute discussion, followed by a 15-minute open forum for questions and answers with our valued community members—you! We encourage you to join us in this dialogue, to share your insights, and to help steer the PFC towards a future that resonates with our collective values.

---
